

EVENT INFORMATION

The annual Benhaven Walk for Autism is set to return on Sunday, October 12, 2025! Last year's event drew nearly 400 walkers raising nearly \$70,000! We received excellent media coverage including WTNH live spots.

Walkers receive many perks including t-shirts and a post-walk celebration with music, food, a raffle and more!

Funds raised from this event directly benefit the lives of those Benhaven serves with enhanced community-based programs, new technologies, and enriching experiences.

EVENT COORDINATOR

JB Sports coordinates 25 running and walking events annually, including the New Haven Labor Day Road Race and Christopher Martin's Christmas Run for Children. With over 30,000 participants, these events raise nearly \$1,000,000 for worthy charities and non-profits annually.

ABOUT BENHAVEN

Benhaven's mission is to enable people with autism and developmental disabilities to participate in community life, exercise productive control over their own lives, have meaningful relationships and associations, be gainfully employed, and experience happiness and personal satisfaction.
